Who to contact in case of side effects and/or product complaints

If you get any side effects, talk to your doctor, pharmacist or nurse. By reporting side effects, you can help provide more information on the safety of this medicine.

You can report side effects directly to HPRA Pharmacovigilance, at www.hpra.ie.

Side effects can also be reported to Novartis preferably at www.novartis.com/report, by emailing drugsafety.dublin@novartis.com or by calling (01) 2080 612.

This material is intended for patients who have been prescribed **Cosentyx**[®] (secukinumab).

To whom it may concern,

I have prescribed Cosentyx® (secukinumab)
for my patient

.....
(complete name)

This medicine can be self-administered, and
so contains a needle. It is supplied in the
form of a single-use SensoReady® 150mg or
UnoReady® 300mg pen, containing 1ml or
2ml of solution respectively.

This medication should be stored between
2°C and 8°C, and so must be carried in the
cabin with cold gel packs and placed in the
refrigerator during the flight, if possible.

If you would like me to confirm this
information, please contact my office directly.

Yours sincerely,
